

With the understanding that:

- Downtown Brampton is in a state of serious disrepair and neglect.
- Incidents of vagrancy, property damage, littering and dumping are increasing.
- Costs associated with clean up are the responsibility of the business and property owners.
- Some businesses/properties have more occurrences requiring attention than others.
- The “Broken Window” effect leads to a degradation of the downtown, inviting further vagrancy, property damage, littering and dumping.
- A level of safety can be promoted through clean, well-maintained properties and intentional environmental design.
- Immediate action is required in addition to mid- and long-term planning.

A rebate of 50% of costs associated with specific cleanup and environmental design projects, up to \$150 per business per period be provided to DBBIA members.

Conditions:

- Costs incurred between January, 2020 - December, 2020
- Allowable expenses include all *outdoor* cleaning and/or safety/beautification upgrades.
- Businesses must submit an application as well valid receipts.
- Multiple applications are allowable up to the maximum \$150 per business/property.
- Cheques will be issued in accordance with BIA policy.
- Rebates are available first come/first serve.
- Maximum funds for this program period = \$5,000.00 total.
- If there is a balance of funds at the end of the period, businesses/property owners may reapply for consideration of additional funds to offset excess expenditures.
- Applications for additional funds will be reviewed by committee.
