

The Downtown Brampton BIA board of Directors are pleased to announce that the BIA has just recently created a new 2023 Downtown Brampton BIA Delivery Rebate which has been created to assist the Downtown Brampton BIA businesses who have been negatively affected by the construction in the downtown core.

- The BIA will fund up to a maximum limit of \$500.00 for delivery costs for businesses that are currently facing business disruption from the Region of Peel Water Main and Sanitary Sewer Infrastructure Project on Main & Queen Street.
- This rebate offers 100% of costs associated with additional delivery and/or addition mileage expenses required to conduct your day-to-day business.
- Businesses must submit an application and valid receipts to be eligible for this rebate.
- Cheques will be issued in accordance with BIA policy. Applications will be reviewed by the BIA board committees.
